

Hamilton Civic League Official Launch Meeting – Wednesday, September 30, 2009

Our Vision

All eligible Hamiltonians will vote in the next municipal election as informed, empowered and engaged citizens in order to bring about positive change to our city.

Our Mission

Our mission is to develop an all-inclusive, non-partisan civic league representing Hamilton community stakeholders to encourage and inspire our community to become informed about local issues, to raise community involvement in local democracy, and to promote accountability, accessibility and transparency in our municipal government.

Our Plan

- Large working group with representation from all wards
- Surveys to determine the priority issues within each ward
- (Possibly) a Council Report Card: How did they vote on these priority issues?

Our Needs

- Board/Administration (lawyer, accountant, clerical, office, funding applications)
- Internet, social media, databases, programming
- Graphics, publications
- Meeting space in every ward (for small and large groups)
- Representatives at various community events
- Surveys (statistics, randomization, survey administration, results processing)
